**CALL FOR PAPERS**  
Year 2013  
Issue 111-112

**Co-Editors:**

Robert GARY-BOBO (CREST, GENES, France),  
Marc GURGAND (Paris School of Economics, France),  
and Francis KRAMARZ (CREST, GENES, France).

*Annals of Economics and Statistics* (*Annales d'économie et de statistique*) is a general purpose journal with a long history of publication of research papers in economics and applied econometrics. See our website for details and archives:

<http://Annales.ensae.fr/>

*Annals of Economics and Statistics* is also available on J-STOR.

For this special issue, we welcome interesting articles on all aspects of the economics and econometrics of education, with a broad methodological coverage: applied econometric studies using policy evaluation techniques, structural econometric methods and contributions to theory. All contributions will be submitted to anonymous referees by the co-editors. Authors should submit an electronic version of their manuscript to the editor in chief; using the following email address:

Annales(a)ensae.fr

*Important deadlines:*

Deadline for the first submission: 30 May 2012.

Deadline for submission of final revision: 30 May 2013.

This special double issue, no 111-112 of *Annals of Economics and Statistics* will be published during the last quarter of 2013. To give an indication about the planned size of the volume, it may be approximately 384 pages long, and gather 16 papers of approximately 24 pages  
Publication: November 2013.

Sincerely yours,  
Robert Gary-Bobo,  
Editor.
